## SECTION 1: GENERAL INFORMATION

### Introduction

This enrolment policy is set out in accordance with the provisions of the Education Act (1998). The Board of Management trusts that by so doing parents will be assisted in relation to enrolment matters. Within the context and parameters of Department regulations and programmes, the rights of the patron as set out in the Education Act (1998), and the funding and resources available, the school supports the principles of:

## **SECTION 2: ENROLMENT PROCEDURES**

### **Application Procedure**

- Enrolment applications to this school must be made using a prescribed application form. The Ennis Parish Catholic Primary Schools Agreed Application System has a specific enrolment application form (Appendix 1) a copy of which may be obtained from all participating primary schools.
- The timeline for the submission of written applications will be notified in the month of November each year both in the Parish newsletters and in the Clare Champion and the Clare People.
- Parent(s)/Guardian(s) who wish to apply to enroll a first level entry pupil are required to complete and return the enrolment application form to Gaelscoil Mhíchíl Cíosóg, Gleann Aibhne, Bóthar an Ghoirt, Inis on or before the closing date for the receipt of enrolment applications.

### **Provision of Key Information by Parents/Guardians**

Parent(s)/Guardian(s) are in the first instance required to complete the enrolment application form. As a result of our participation in the Ennis Parish Primary Schools Agreed Application Procedure information from the enrolment application form may be shared if requested, with St. Senan's Education Office (Education Secretariat for the Dioceses of Killaloe). This information will be treated in a confidential manner and will not be shared with any other party or used for any purposes other than that of enrolment application.

A registration form (Appendix 2) also forms part of the enrolment procedure. This form will accompany the letter of offer that will be sent to parents/guardians of successful applicants. The completed registration form must be returned to the school within the timeline specified in the letter of offer. Failure to do so will be interpreted as a refusal of the offer to enroll.

The address at which the applicant resides will be the address used by the school for correspondence regarding enrolment.

The completion of an enrolment application form or the placement of your child's/ward's name on a list, however early, does not confer an automatic right to a place in the school.

### **Decision Making**

Decisions in relation to applications for enrolment are made by the Board of Management in accordance with school policy. The Board will notify parents of their decision within 21 days of the closing date for the receipt of applications.

The Board will have regard for relevant Department of Education and Science guidelines in relation to class size and staffing provisions and/or any other relevant requirements concerning accommodation, including physical space and the health and welfare of children.

The Board is bound by the Department of Education and Science's *Rules for National Schools* which provides that pupils may only be enrolled from the age of 4 years and upwards, though compulsory attendance does not apply until the age of 6 years. Children applying to enroll in Gaelscoil Mhíchíl Cíosóg must have reached the age of 4 years prior to the first day of the school year they will commence school at Gaelscoil Mhíchíl Cíosóg.

In the event that applications for enrolment exceed/is expected to exceed the number of places available the following decision making process will apply.

1. *Applicants with siblings currently enrolled in the school (including stepsiblings, resident at the same address), priority eldest;*
2. *On an equal basis, children of school staff, including ancillary staff, siblings of past pupils, children from Irish speaking or bilingual Irish/another language families including children that have attended a recognised Naíonra (M.sh. Céimeanna Beaga/Naíonra na nÓg) for a full year, priority eldest;*
3. *Children of past pupils, priority eldest;*
4. *All other applicants, priority eldest.*

In the event that mid criterion the number of eligible applicants sharing the same birthday exceeds the number of available places independently verified random selection (of this group) will apply.

The Board of Management reserves the right to determine the maximum number of children in each separate classroom bearing in mind Department and Education Guidelines in relation to class size and staffing provisions. Other factors that may be considered are:

- Size and available space in classrooms.
- Educational needs of children of a particular age.
- Multi-grade classes.
- Presence of children with special educational/behavioural needs.
- Health and Safety.

## **Enrolment of Children with Special Needs**

On enrolment of children with special needs the Board of Management will request a copy of the child's medical and/or psychological report or where such a report is not available, will request that the child be assessed immediately. The purpose of the assessment report is to assist the school in establishing the educational and training needs of the child relevant to his/her disability or special needs and to profile the support services required.

Following receipt of the report, the Board will assess how the school can meet the needs specified in the report. Where the Board deems that further resources are required, it will request the Special Education Needs Organiser (NCSE see Circular 01/05) to provide the resources required to meet the needs of the child as outlined in the psychological and/or medical report. These resources may include for example, access to or the provision of any or a combination of the following: visiting teacher service, resource teacher for special needs, special needs assistant, specialised equipment or furniture, transport services or other.

The school will meet with the parents/guardians of the child and with the SENO to discuss the child's needs and the school's suitability or capability in meeting those needs. Where necessary, a full case conference involving all parties will be held, which may include parents, principal, class teacher, learning support teacher, special class teacher, resource teacher for special needs, Special Educational Needs Organiser or psychologist, as appropriate.

It may, in certain circumstances, be necessary for the Board of Management to defer admission of a child pending the completion of an assessment report and/or provision of the necessary resources by the Department of Education and Science.

## **Pupils Transferring**

Applications for enrolment during the junior infant school year will be considered subject to school policy, available space and the provision of full information concerning attendance and the child's educational progress to date. Such applications will be considered on a case by case basis and will normally only be considered for admission on the first day of each new term unless the applicant is newly resident in the area. Applications for a transfer from parents of children in other Gaelscoileanna and gaeltacht schools in classes other than Junior Infants are also dealt with on a case by case basis. Transfers from English Medium schools into classes other than junior infants which may impact negatively on the All Irish ethos of the class/gaelscoil are only considered in the rarest and most exceptional circumstances. Transfers from other Ennis schools are considered and processed at the start of each term only.

## **Code of Behaviour**

All offers of enrolment are subject to acceptance of the School's Code of Behaviour, a copy of which is appended to this policy.

## **SECTION 3: APPEALS**

The Board of Management of Gaelscoil Mhíchil Cíosóg in compliance with section 19(3) of the Educational Welfare Act 2000 will make a decision in writing in respect of an application for enrolment within 21 days of the closing date for the receipt of enrolment applications and will inform the parents/guardians in writing of that decision.

Parents/guardians will be informed of their entitlement to appeal a decision of the Board of Management in relation to a refusal to enrol in the letter issued 21 days after the closing date for the receipt of applications. (Please note the address at which the applicant resides will be the address used by the school for correspondence regarding enrolment).

If the Board of Management refuses to enrol a student in the school, the parent/guardian of the student may appeal the decision at local level. The appeal must be submitted within 10 days of the date of the refusal to enrol. It must be made in writing, addressed to the Chairperson of the Board, and clearly state the grounds for the appeal. The Board of Management will respond within 10 days of the receipt of such an appeal.

If following the conclusion of the appeal procedures at school level, a parent/guardian is dissatisfied with the decision made that parent/guardian has a statutory entitlement under section 29 of the Education Act (as amended by Section 4 of the Education (Miscellaneous Provisions) Act 2007, to appeal that decision to the Secretary General of the Department of Education and Science. It should be noted that such an appeal must be lodged within 42 days of the schools refusal to enrol.

Details on appealing decisions on enrolment under section 29 of the Education Act (as amended by Section 4 of the Education (Miscellaneous Provisions) Act, 2007), are available on the Department of Education and Science website at [www.education.ie](http://www.education.ie)

## **SECTION 4: EXCEPTIONAL CASES**

The Board of Management of Gaelscoil Mhíchil Cíosóg reserves the right to refuse enrolment or, to rescind an offer of enrolment to any child, in exceptional cases. Such an exceptional case could arise where either:

1. The child has special needs such that, even with additional resources available from the Department of Education and Science, the school cannot meet such needs and/or provide the student with an appropriate education, or
2. In the opinion of the Board of Management, the student poses an unacceptable risk to other students, to school staff or to school property.

The policy was ratified by the Board of Management of Gaelscoil Mhíchíl Cíosóg on 22 Bealtaine 2017.

Signed:  Chairperson, Board of Management
