ECCE Places- PPS Numbers:

PPSN information may be transmitted electronically through the PIP online system operated by Pobal. The system can electronically check and validate the PPSN number against the name, DOB and PPSN details.

Where a parent’s declaration is not verified by the DCYA’s checks, a letter will be issued to inform them that the subvention (ECCE funding) applied for does not apply. We will correct our register of the subventions due to parents/guardians, and supply the parent/guardian with the letter, stating that, as a result, we will not receive grant aid to reduce the fee charged. We will not retain this letter, or a copy of

it, for more than 1 month. If, in the verification of information, a parent/guardian disputes the outcome, they should contact the DCYA directly.

Statement of Intent:

The ECCE Enrolment Policy will always be followed. The policy will be reviewed in line with the requirements of the Scheme.

Over Subscription:

- In the event of places being full, a waiting list will be kept and the following will apply when allocating a place:
 - Existing Children
 - Siblings
 - Past pupils
 - All others
- The Manager will advise parents/guardians of their child's place on the waiting list, upon request.

Procedure:

Note: If a parent/guardian has enrolled their child before December 20th, they will receive a final confirmation letter of their place and commencement before the end of January. If a parent/guardian wishes to cancel, or withdraw, their child they must contact the Naíonra Príomhstiúrthóir.

- Each year of the two-year scheme is treated completely separately by our service with enrolment required for each year. If your child attends Year 1, you will be required to follow the enrolment criteria again for Year 2.
- A place on the ECCE Scheme will only be confirmed when the following is completed:
 - An agreement confirming the number of days required and confirmation of the child's eligibility.
 - A PIP Registration form (DCYA).
 - Registration form fully completed by Dec 20th of the year prior to attending the Naíonra.
- The service cannot 'hold' a place until the child becomes eligible. For example, if a child becomes eligible in January a place will only be available if there is a vacancy. If parents/guardians want to guarantee a place in January, they may be required to enrol their child in September and pay full

commercial fees until the child is eligible in January, when the free scheme becomes operational for that child.

- All details regarding a child's Application Form must be completed and any relevant important information or specific diet or health requirements must be noted.
- We reserve the right to terminate our services.
- In the event that we cannot offer your child a place in the service, at a particular date, we will place your child on a waiting list and inform you of any changes as soon as possible.
- Parents/guardians should familiarise themselves with our policies and procedures; they will be reviewed and changed according to regulation and best practice.

Attendance:

It is essential, to the efficient running of the service, that you inform the Manager if your child is unable to attend the service and follow up with a telephone call to inform the Manager when the child will be returning. It should be noted that the income received by the service from the DCYA is based on the regular. A register of the times and days that children attend is kept. Continued failure to attend may result in your child's place being withdrawn.

If a child is absent for 4 weeks, the child can be designated a Leaver on PIP which means the service will be paid for the 4 weeks. If a child is absent for more than 4 weeks (without notice) the place can be filled by another.

General Information on Enrolment

The following information applies:

- 4 weeks-notice will be required for any changes or cancellation of the original agreement.
- The main point of contact for parents/guardians is the Naíonra Manager.
- Within the classroom setting, each child is allocated a key person who will carry out observations on your child.
- Parents/guardians should familiarise themselves with our policies and procedures; they will be reviewed and changed accordingly to incorporate any new developments from Tusla (the Child and Family Agency).
- No uniform is required but we do ask that all children wear suitable, comfortable clothes, ideal for artwork and outdoor messy play. (No 'good' clothes please). Velcro shoes are preferable. All long hair

must be tied up. No hoop or long earrings, jewellery or watches. Shoes appropriate to outdoor play should be worn.

The following are required with the child's name clearly written on all items:

- Wellingtons, coat, hat (if weather requires)
- Sun hat (if weather requires)
- A small school bag (no 'wheelies' please)
- A lunch box containing a healthy snack, water or milk to drink.

Note: Parents/guardians should apply sun cream before their child arrives in the service on days where sun cream is necessary.

Procedures for Children with Allergies:

When parents/guardians start their children in the service they are asked if their child suffers from any known allergies. This is recorded on the Registration Form.

If a child has an allergy, a Risk Assessment is completed to detail the following:

- The allergen (i.e. the substance, material or living creature the child is allergic to such as nuts, eggs, bee stings, cats etc.).
- The nature of the allergic reaction e.g. anaphylactic shock, including rash, reddening of skin, swelling, breathing problems etc.
- What to do in case of allergic reactions, any medication used and how it is to be used (e.g. Epipen).
- Control measures - such as how the child can be prevented from contact with the allergen.
- This form is kept in the child's personal file and a copy is displayed where staff can see it.
- Parents/guardians train staff in how to administer special medication in the event of an allergic reaction.
- If a child is identified to have a nut allergy, other parents/guardians are made aware so that no nut (or nut products) are accidentally brought in, for example to a party.

Life Saving Medication and Invasive Treatments:

Adrenaline injections (Epipens) for anaphylactic shock reactions (caused by allergies to nuts, eggs etc.) or invasive treatments such as rectal administration of Diazepam (for epilepsy).

We must have:

- A letter from the child's GP/consultant stating the child's condition and what medication, if any, is to be administered.
- Written consent from the parent/guardian allowing staff to administer medication.

Both of the above are covered in our Emergency Care Plan that we ask parents/guardians to complete.

When appropriate, and necessary, staff deemed will be trained in the administration of special medication devices such as the EpiPen.

Children with medical conditions and disabilities:

It is important to find out as much as possible about a child prior to admission, at registration stage. This is recorded on the Registration Form. Management will meet with the parent to discuss individual needs and how the child can be supported in the setting. Parent/guardian may be required to complete an additional Medical Emergency Form if their child has a medical condition that could result in a medical emergency.
