48. Recruitment and Selection Policy

To ensure the service follows best practice in the recruitment and selection of employees. This policy applies to all recruitment in the service

Policy and Procedure:

It is the policy of the service to recruit and select the best candidate for any vacant position within our childcare service. Our employees are one of the key resources we have in achieving our aims and objectives of providing good quality care to the children in our service. Our primary concern is selecting the right candidate that will cherish the children in our care and help each one of them to reach their potential.

Child Care Act 1991(Early Years services) Regulations 2016([National Standard 5: Organisation and Management, National Standard 11: Child Protection](#))

The following is how our service operates its recruitment process to ensure the best candidate is chosen for every position, with particular reference to the suitability to work with young children.

It is our policy to:

- Deal with all applications with courtesy and efficiency.
- Select candidates on the basis of their qualifications and/or experience for the vacancy concerned.
- To give every person interviewed a fair and thorough hearing.

The organisation will not:

- Discriminate unfairly against potential applicants on grounds of gender, civil status, family status, disability, sexual orientation, age, religion, race or membership of the Traveller community; or trade union membership / activity.
- Discriminate unfairly against persons with a criminal record; or make any false statements in recruitment literature of job advertisements.

Job Descriptions and Personal Specifications:

We will use updated job specifications and job descriptions for each position. Further information is available from the Management.

Advertisement:

The avenues we use to advertise positions will depend on the vacancy and the budgets available.

- Advertisements and the selection process will not discriminate on any of the nine grounds protected by the Employment Equality Acts 1998 to 2008. These are gender, marital status, family status, sexual orientation, religion, age, disability, race, and membership of the traveller community.
- It is essential that advertisements for all vacancies are impartial and objective.
- All employees on protective leave (such as maternity or parental leave) will be informed of each vacancy.
- All vacancies will be advertised both internally and externally, as may be appropriate.
- All vacancies will be advertised at a minimum through Clare papers and local universities (UL / UCC).
- Applicants will be asked to submit a CV.
- Every job applicant will be replied to without unreasonable delay.

Interview:

Our aim is to draw out as much relevant information from each candidate as possible to enable us to make an accurate assessment of their suitability for the job.

Not all applicants will be called for interview. The service aims to ensure an interview process that is free from discrimination. A gender-balanced interview panel will be provided where possible, but this may not always be feasible. The selection of persons who sit on the interview panel is at the discretion of the Management. All questions posed to the candidates will be consistent and will relate directly to the person's ability to do the job.

Candidates will be scored according to an interview selection form that has been designed to ascertaining the competencies and skills of the candidate to carry out the position. The job description and essential and desired criteria in the person specification are also utilised in the selection assessment. Fair and proper procedures will be followed.

After each interview is held, every candidate is assessed against the criteria set out in the job description, personal specification and their own qualifications. The interview sheet is then signed off by the interviewers.

Records of all applications, screening criteria and interview notes will be kept for a minimum period of 12 months by the Management, before being discarded.

Feedback will be given to unsuccessful internal candidates to support them in their future development.

Selection and Reference Checking:

- The service will also validate any necessary documentation relating to visas and work permits, where applicable.
- Candidates will be required to sign and declare that the information they have provided is true.
- Candidates will be required to provide details of two previous employers for reference checking if practicable. If an employee cannot get a reference from a previous employer a reference from a reputable source will be considered. Successful candidates will have their references checked before an offer of employment is made. References will be checked by telephone and in writing to validate and verify the candidate's identity and to check their employment history, qualifications, experience and suitability for the role. References should be recent, relevant to the post and should not be provided by family members. References will be held on the employee's personnel file.
- The identity of the applicant will be confirmed against an original (not a photocopy) official documentation (such as a driving licence or passport), which includes the applicant's name, address, date of birth and a photograph. This should be compared with the written application. A copy of the candidates' driving licence or passport is required to be held on the employees personnel file.

Garda Vetting:

In accordance with Child Care Act 1991(Early Years services) Regulations 2016 we will ensure that all employees are Garda vetted

We will not allow any employee/relief worker/student or volunteer to commence work with the service if we do not have Garda vetting and where appropriate International Police Check.

Tusla inspection standards require Garda Vetting forms to be held on site by childcare providers to ensure the service is compliant under childcare regulations and the National Vetting Bureau (Children and Vulnerable Persons) Act 2012.

The service will comply with Tusla guidance for students/employees/volunteers aged between 16 to 18 years. The guidance is that they should be subject to Garda vetting only when they have substantial unsupervised access to children. A Garda vetting parental consent form must be signed in relation to applicants in the 16 to 18 age bracket.

Our policy is that Garda vetting will be completed at three-year intervals.

Probation:

Once all the pre-employment assessments have been completed, a written offer of employment will be extended to the successful candidate, with full details of his or her conditions of employment. It is the policy of the service that all such offers will include a probationary period, of six (6) months and not longer than eleven months even when the successful candidate has been previously employed within the organisation.

Reviews will be carried out throughout the probation period and at a minimum after the initial two weeks, mid-way and at the end of the probation period.

This gives the service an opportunity to assess the suitability of a new worker to work with children and to implement the organisation's policies on safe practices.

The service will comply with Data Protection Acts, 1988 and 2003 including:

- Obtaining and processing information fairly.
- Keeping it for explicit lawful purposes.
- Using it and disclosing it only in ways compatible with those purposes.
- Keeping it safe and secure.
- Retaining it for no longer than is necessary for that purpose.
- Giving a person a copy of his or her personal data on request.

Employment/Personnel Files:

Legislation requires that we keep certain records on our staff members. It is our policy to keep the following records for each staff member:

- C.V.
- Job Description
- Proof of identity (passport, driving license)
- Two validated References (Verbal and Written)
